CERTIFICATE

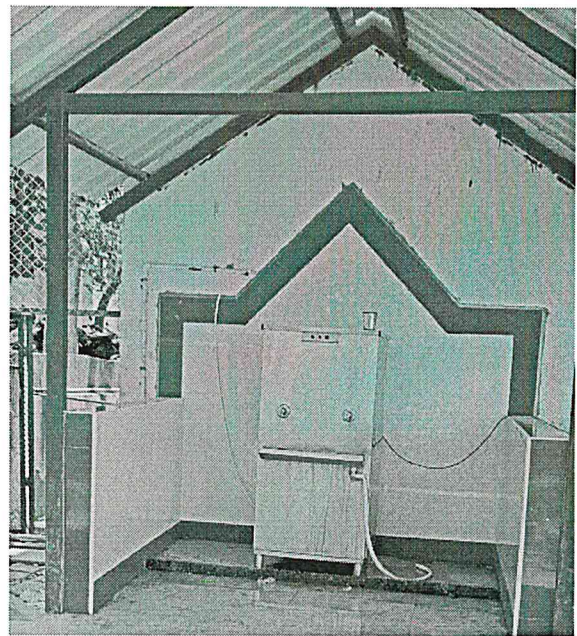

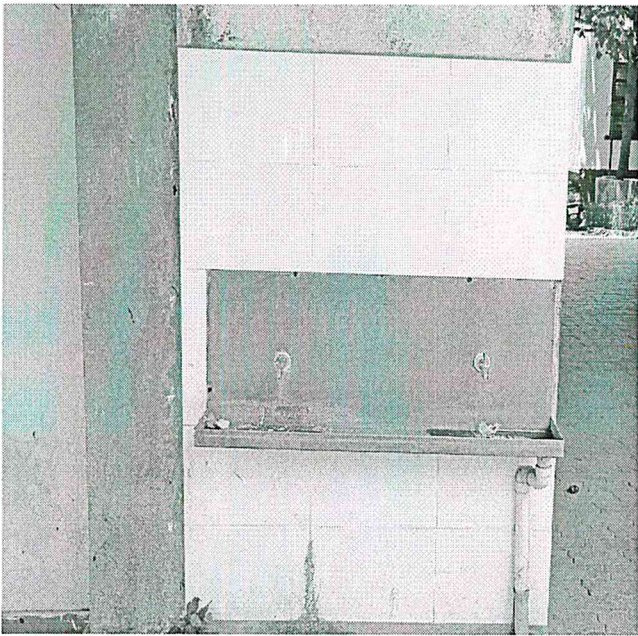

PORTABLE WATER SUPPLY FACILITY AT THE INSTITUTION

The Institution is having UV purified Water facility for students, staff and all stake holders. These are placed in prominent locations accessible to all.

Features:

- Uses the world's most superior water purification technologies-Ultraviolet (UV) & Ozone.
- Uses two of the best quality and branded purifiers in our system-UV purifier by Alfa and Ozone purifier by Faraday.
- Uses Microprocessor controlled electronic system to ensure the precise operations of our Purifiers and Dispensers.
- Automatic "Reprocessing and Residual ozone" ensures the purity of water always and protects the inbuilt storage tank water. --
- Ozone contact time can be varied according to the raw water parameters.
- 100% Automatic operations and Customizable.
