FIRST AID PROVISIONS MADE FROM INSTITUTION

- First aid kits are made available in all Departmental Laboratories through Red Cross Unit of the Institutions.
- These kits are very helpful for the students and staff members to provide first aid during accidents and emergency situations.
- An awareness programme on "First Aid" was organised for all laboratory Staff members on 20-01-2024 at JSS College, Dharwad in association with District Red Cross Unit.

SDM MEDICAL CENTER AT THE CAMPUS

The campus has a clinic, a smaller medical facility than hospitals where a registered doctor checks outpatients, diagnoses health issues and prescribes medicines to staff and students. One may need not to fix appointment and directly approach for seeking the medical facility. The clinic refers the critical cases to SDM medical college which also belongs to the same management.

The above document is available on the institution website
